Flaming June?

Welcome to our (sunny) June Newsletter.

We are predicting a warm front moving in from the south and an end to the doom and gloom currently being spewed out by the national media...

Well we can dream can't we :-)

We hope this months newsletter will brighten your day and give you a sunnier outlook on business and life.

Sheffield Chamber
of Commerce and Industry

Tuesday 1st July

exhibitionists rus

We are exhibiting at the Sheffield Chamber Members Evening at the Hilton Hotel, why not come and say hello to the brightstar team in our "official uniforms".

NOTE: DUE TO THE EXHIBITION OUR OFFICE WILL BE UNMANNED AFTER 3.30 ON THE 1st OF JULY.

new web site design...

Have a look at some of our newly designed and launched client websites... does yours need a revamp?

we also create... happy customers :-)

cost effective marketing with postcards

Have you thought about using postcards as an alternative to leaflets?

A postcard always gives a quality impression and costs are no where near as expensive as you may think.

It is also a common misconception that you need to order vast amounts, not so, we can supply full colour postcards with gloss or matt lamination in amounts as low as 250.

People
hold on
to
Post
Cards!

We have produced quite a range over the years and can be used for promoting your company, services or products, to make announcements or to supply new address / contact details etc.

Depending on how they are designed you can have a standard address and stamp reverse to allow for easy postage or use the reverse to enhance your message and simply slip them into a envelope.

They also look impressive placed in a holder in your reception or at exhibitions.

25% OFF

Throughout July and August we will be offering 25% discount on the design and artwork of your postcards.

THING OF THE MONTH

Will Smiths new movie "Hancock" gives a refreshing slant on the super hero genre.
