

## cha cha cha changes

### team changes

Kirstie's maternity leave has come to an end and she has understandably decided to become a full time mum to little Ellie May.

We would like to thank her for all her hard work over the years and we will miss her cheery smile.

As a result Sean Bishop will become a permanent member of the Brightstar Team in November, proving over the last few months his dedication to helping us create even more happy customers :-)

It has come to our attention that a number of companies are sending out extremely official looking letters or emails advising that you need to renew your domain name urgently or risk losing it.

This usually occurs around the time your domain is due for renewal and may try to charge you up to £200!

If we registered your domain, we are the only people who would contact you about renewal, so don't pay £65.00 to an American company like one of our customers recently did, only to find we still had to renew it for them.

If we didn't register your domain but you are ever unsure about something you receive, just give us a call and we will be happy to give it the once over for you.

### good luck to...

## valentine&whicker

The exciting new gift store opens this week at Banner Cross on Ecclesall Road South and we would like to wish Alison lots of luck with her new shop (we hope our expert branding will help a little).

Call in to see their wide range of gifts (ideal with xmas just around the corner).

### meet the new boys

We have just invested in the latest super duper Intel Macs.

This will help to make us even more efficient (if that were possible).

# nice

### there is still plenty of time to order your fully personalised xmas cards...
