## There are some things... even we can't improve!

Meet Christine Brown, Brightstar Creative are sponsoring Christine in this Years Miss Sheffield Finals and if she wins (which we are convinced she will) we will also be sponsoring her in the Miss England Finals.

The Miss Sheffield Final takes place at the Crystal Bar on April the 5th which also happens to be Christine's Birthday, so we hope Christine gets the perfect present of becoming Miss Sheffield 2007!

## tips Create Joint-Ventures.

Find colleagues and business associates whose business complements yours and create joint promotions.

For example we have produced joint-ventures with photographers, web code writers and sign companies.

You may be suprised at the additional business you could bring in.

Who could you partner with?

## THING OF THE MONTH
